## Mini dachshund puppies nc

Miniature Dachshunds have a great place in our hearts at Happytail Puppies because this is the kind that started it all! They are truly an amazing race and will forever be one of our favorites! Full-blooded Mini Dachshund puppies are available now for their new home. There are 2 black and brown puppies, and 2 red puppies. They are very sweet and have been well played and socialized with children, other dogs and goats. Mom is a long black/brown hair that weighs about 8 pounds. Dad is a short red hair that weighs 9 pounds. They won't be too big. They had pads trained and had been kept indoors, but were taken out to play. They are very intelligent and will make great pets. Another litter may be born mid-November 2020, keep checking back Miniature Long-Haired Dachshund We did our research. With librarians in the family, there's no other way to proceed. We knew that we wanted a small, fun dog, in a dog that wasn't too boisterous or yappy. We want an athletic dog without the need to exercise for hours a day, We want a dog that everyone sees and goes Oooh! Isn't he (or her) cute! We read all about the different breeds we considered, talked to many breeders throughout the United States who were generous with their time and expertise, and we decided on long-haired Mini Doxies. Not only are they beautiful, but they are very affectionate. Long-haired miniature dachshund is all we want and more. Let me show you some beautiful dogs who came to stay with us at Twin Oaks Farm. See below for pictures of beautiful miniature long-haired dachshunds living with us and check out our New Doxie Litters page for information on future litter.
